Regularisation of Daily Wagers in Nathpa Jhakri Power Corporation

254. SHRIMATI CHANDRESH KUMARI: Will the Minister of POWER be pleased to state:

(a) whether Government have been requested to issue instructions to Nathpa Jhakri Power Corporation to accept the joining report of 36 "Work Charged Workers" enrolled as Daily Wagers upto 31.12.1984 by State Government;

(b) whether these requests also include absorption of daily wagers on regular basis;

(c) whether Government have issued necessary instructions to the Management of NJPC so far; and

(d) if so, the details thereof and if not, reasons therefor?

THE MINISTER OF POWER (SHRI P. R. KUMARAMANGLAM): (a) to (d) On a request of Himachal Pradesh State Electricity Board (HPSEB), Nathpa Jhakri Power Corporation (NJPC) has agreed, as a one time dispensation to take 36 daily waged employees of HPSEB on work charge basis in NJPC till the construction of Nathpa Jhakri HE Project. Since these 36 daily waged workers are the employees of HPSEB, the question of regularisation of their services in NJPC does not arise.

Economic reforms in Power Sector

256. DR. MANMOHAN SINGH: Will the Minister of POWER be pleased to state:

(a) the progress of economic reforms in the power sector;

(b) the estimate of commercial losses of the state Electricity Boards in 1997-98 and 1998-99;

(c) whether Government have evolved a comprehensive strategy to revamp the functioning of State Electricity Boards so as to improve their efficiency and eliminate losses; and

(d) if so, the details thereof?

THE MINISTER OF POWER (SHRI P.R. KUMARAMANGALAM): (a) In the last six months, a number of policy initiatives have been taken by the Government. The Electricity Regulatory Commissions Act, 1998 was enacted for setting up Electricity Regulatory Commissions both at the Centre and in the States for regulation of power tariffs. By enacting the Electricity Laws (Amendment) Act, 1998, the way has been cleared for facilitating more investment in the transmission sector as a separate and distinct entity. The Government have also approved a new Hydel policy which lays down the mechanism for increasing investment in hydel generation. An action plan has been drawn up for the development of North Eastern Region encompassing capacity addition programmes as well as strengthening the transmission and distribution system. Efforts are under way for privatising distribution based on the recommendation of the Coelho Committee. A new Mega power policy has been approved by the Government which will accelerate the setting up of
